Learn about the nature & consequences of domestic violence so that you can educate, counsel victims and perpetrators, and intervene as mandatory reporters.
Satisfies FL BOD Domestic Violence requirement for license renewal.
Faculty: Siegfried Schmidt, MD, PhD
Price: \$20.00 / Extra Test: \$25.00

HIV/AIDS Review Hours: 1 No. 0106W

Educate the public about AIDS and meet legal and ethical responsibilities toward patients with HIV infection.
Satisfies FL HIV/AIDS legislative requirement for license renewal.
Faculty: Carroll Cameron RDH, EdD, Siegfried Schmidt, MD, PhD
Price: \$20.00 / Extra Test: \$25.00

HIV/AIDS & Public Health Issues Hours: 2 No. 0212W

A two hour update of HIV and AIDS so you can educate the public, and meet your legal and ethical responsibilities toward patients with HIV infection.
Satisfies FL & KY HIV/AIDS requirement for initial license.
Faculty: Siegfried Schmidt, MD, PhD, Carroll Cameron, RDH, EdD
Price: \$27.00 / Extra Test: \$25.00

Dentistry Ethics & Florida Law Hours: 2 No. 0202W

Learn the ethical and legal rules and standards that govern the conduct of dental health professionals.
Satisfies FL BOD Jurisprudence requirement for license renewal.
Faculty: Carroll Cameron, RDH, EdD
Price: \$27.00 / Extra Test: \$25.00

Personal & Property Loss in Risk Management Hours: 2 No. 0208W

Identify and analyze loss exposure in terms of property and personnel.
Not accepted in CA
Faculty: Linda Harvey, RDH, MS, HCRM
Price: \$27.00 / Extra Test: \$25.00

Tooth Bleaching Hours: 2 No. 0210W

An overview of fundamental tooth anatomy and physiology, along with various materials and methods used to bleach teeth. Identify the best methods of bleaching and how to avoid adverse side effects.
Faculty: Ernest Lado, DDS
Price: \$27.00 / Extra Test: \$25.00

Medical Errors Hours: 2 No. 0211W

Learn to analyze the root causes of medical errors and implement initiatives for patient safety so you can reduce the number and impact of preventable adverse events in your practice.
Meets FL mandatory requirement.
Faculty: Linda Harvey, RDH, MS, HCRM
Price: \$27.00 / Extra Test: \$25.00

Dentistry, Ethics & California Law Hours: 3 No. 0306W

Learn the ethical and legal rules and standards that govern the conduct of dental health professionals.
Satisfies CA legislative requirement.
Faculty: Carroll Cameron, RDH, EdD
Price: \$37.00 / Extra Test: \$25.00

Care and Maintenance of Dental Implants Hours: 3 No. 0307W

Master the protocol and techniques for the prevention of peri-implantitis through dental office recall maintenance and the education and motivation of dental implant patients.
Faculty: Keith Rossein, DDS
Price: \$37.00 / Extra Test: \$25.00

Chemical Dependency in Health Care Hours: 3 No. 0310W

Learn objective signs and symptoms of chemical dependency, the impact of substance abuse on patient management, and the social, legal, and health consequences of addiction. Counsel patients and coworkers who abuse drugs and alcohol.
Satisfies TN mandatory requirements.
Faculty: Ernest Lado, DDS, Siegfried Schmidt, MD, PhD, Carroll Cameron, RDH EdD
Price: \$37.00 / Extra Test: \$25.00

Viral Hepatitis: Managing Occupational Exposure Hours: 4 No. 0409W

Viral hepatitis is transmitted enterically and parenterally by a group of related pathogens that pose a potential threat to health care workers. Meet CDC recommendations concerning occupational exposure to hepatitis and develop plans addressing counseling, management, and therapy for exposed workers.
Faculty: Carroll Cameron, RDH, EdD
Price: \$43.50 / Extra Test: \$25.00

HIV & the AIDS Epidemic Hours: 4 No. 0401W

Educate the public about AIDS and associated illnesses such as TB, practice infection control in your office and meet your professional and legal responsibilities towards patients with HIV infection.
Satisfies FL & KY HIV/AIDS legislative requirement for initial licensure & license renewal.
Faculty: Frank W. Stout, DDS, MS, Siegfried Schmidt, MD, PhD
Price: \$43.50 / Extra Test: \$25.00

Provisional Restorations: Key to Clinical Success

Improve your practice skills and the clinical success of final restorations with time saving techniques in fabrication of multi-unit transitional restorations.
Faculty: Keith Rossein, DDS
Price: \$43.50 / Extra Test: \$25.00

Diabetes Mellitus Hours: 5 No. 0503W

Describe the anatomy of the pancreas, define Type I and Type II diabetes mellitus and recognize signs and symptoms. Describe testing and counseling and the handling of diabetic emergencies in dental offices.
Faculty: Siegfried Schmidt, MD, PhD, Carroll Cameron, RDH, EdD
Price: \$46.50 / Extra Test: \$25.00

Instrument Recycling for Infection Control Hours: 5 No. 0501W

Develop and maintain an effective instrument recycling and sterilization program in your office.
Satisfies MN & CA legislative requirements.
Faculty: Ernest Lado, DDS
Price: \$46.50 / Extra Test: \$25.00

Over-the-Counter Medications Hours: 5 No. 0502W

Examine the effects of drug interactions, exacerbation of existing medical conditions, and potential life-threatening consequences of the misuse of OTCs. Link regulations with the excesses of early patent medicine manufactures. Teach patients to use OTCs responsibly.
Faculty: Ernest Lado, DDS
Price: \$46.50 / Extra Test: \$25.00

Medical History to Prevent Anaphylaxis Hours: 6 No. 0601W

Identify patient's acute needs, potential risks and chronic problems with a structured approach to recording a patient's medical history to prevent allergic reactions.
Faculty: Frank W. Stout DDS, MS
Price: \$49.50 / Extra Test: \$25.00

Tuberculosis Hours: 6 No. 0602W

Everything you need to know about the resurgence of TB so you become a part of your local health community's efforts to prevent and treat tuberculosis in your community.
Faculty: Marilyn Glassberg, MD
Price: \$49.50 / Extra Test: \$25.00

Endocarditis Hours: 6 No. 0603W

Provide safe and appropriate dental care to medically compromised patients who have an increased risk of endocarditis.
Faculty: Eugene Eisman, MD, Thomas B. Fast, DDS
Price: \$49.50 / Extra Test: \$25.00

Local Anesthetics Hours: 7 No. 0702W

The fundamentals of neurotransmission, properties of local anesthetics, and appropriate techniques for effective local anesthesia. Provide optimal dental care with minimal patient discomfort.
Faculty: Ernest Lado, DDS
Price: \$51.00 / Extra Test: \$25.00

Ultrasonics in Periodontal Therapy Hours: 8 No. 0803W

Review the history and development of ultrasonic instruments and the "Holbrook Concepts" of ultrasonics in periodontal therapy.
Faculty: Thomas Holbrook, DDS, Mary Kerger, RDH
Price: \$53.00 / Extra Test: \$25.00

Clinical Classification of Toothaches Hours: 8 No. 0804W

Classify the nature of toothaches, investigate the history of the discomfort, choose appropriate diagnostic tests, and provide patients with the best care for relief of pain.
Faculty: Ernest Lado, DDS
Price: \$53.00 / Extra Test: \$25.00

Oral Histology Hours: 8 No. 0806W

Refresh your knowledge of basic histology in this highly simplified approach to a complicated subject.
Faculty: William Balton, DDS
Price: \$53.00 / Extra Test: \$25.00

Understanding Oral Electrosurgery/Radiosurgery: A Practical Approach

Hours: 8 No. 0808W
Understand electrosurgical principles and instruments and implement its clinical applications into your practice.
Faculty: Keith Rossein, DDS
Price: \$53.00 / Extra Test: \$25.00

Healthcare Course Catalog

Alternative Medicine: A Guide to Patient Counseling

Establish open communication so you can provide guidance to patients who seek to use alternative medicine. Not accepted in CA.

Faculty: Ernest Lado, DDS

Price: \$53.00 / Extra Test: \$25.00

Antimicrobials in Dentistry Hours: 8 No. 0811W

Fine tune your ability to select appropriate antibiotics for oral pathogens. Avoid toxicity and hypersensitivity reactions, and explain resistance to patients who demand inappropriate antimicrobial treatment.

Faculty: Ernest Lado, DDS, Matthew J. Dennis, DDS, Carroll Cameron, RDH, EdD

Price: \$53.00 / Extra Test: \$25.00

Beyond Anthrax: Bioterrorism and the Health Profession

Learn which bioagents are candidates to join anthrax as weapons of bioterrorism. Understand the transmission and characteristics of infectious disease caused by agents of terrorism, from Arenaviridae to Yersinia pestis. Implement disease control strategies in our office to calm patient fears.

Price: \$53.00 / Extra Test: \$25.00

OSHA Compliance & Infection Control Hours: 10 No. 1001W

Enhance your ability to comply with accepted principles and practices of infections control and to monitor compliance in your office with OSHA's and CDC's recommendations. Includes a protocol manual for your use.

Satisfies multi-state legislative requirements.

Faculty: Ernest Lado, DDS, Frank W. Stout, DDS, MS

Price: \$60.00 / Extra Test: \$25.00

Dentistry & Street Drugs Hours: 10 No. 1010W

Opioids, hypnotics, stimulants, hallucinogens, and "club" drugs dominate the illicit market. Your knowledge of abused substances may prevent a recovering addict from returning to the streets.

Faculty: Ernest Lado, DDS

Price: \$60.00 / Extra Test: \$25.00

The Hidden World of Chemosensation: Taste, Smell, & Flavor in Health

No. 1011W

Understand and identify chemosensory disorders so you can help patients and enjoy a scientifically packed, fun to study, useful course.

Faculty: Tom Fast, DDS, MS, Wayne Klein, PhD

Price: \$60.00 / Extra Test: \$25.00

Nutrition & Health Hours: 12 No. 1206W

Encourage public interest in the basic science of nutrition by providing reliable information to improve patient health and prevent nutrition-related illness and disease.

Faculty: Marcia Magnus, PhD, Carroll Cameron, RDH, EdD

Price: \$65.00 / Extra Test: \$25.00

Nutritional Counseling Hours: 12 No. 1205W

Provide patients with fact so they can analyze reports about diet and health and make rational choices to improve the nutritional value of their diets.

Faculty: Marcia Magnus, PhD, Carroll Cameron, RDH, EdD

Price: \$65.00 / Extra Test: \$25.00

TMJ Hours: 12 No. 1201W

Investigate contributing factors in TMJ dysfunction and educate patients about treatment options. Learn reversible techniques for alleviating chronic facial pain.

Faculty: Jerome Bistriz, DDS

Price: \$65.00 / Extra Test: \$25.00

Emergency Preparedness Hours: 12 No. 1202W

Predict, prevent, recognize and manage medical emergencies by learning the signs, symptoms and methods of intervention.

Faculty: Thomas B. Fast, DDS, MS, Siegfried Schmidt, MD, PhD

Price: \$65.00 / Extra Test: \$25.00

Cardiovascular Screening in Dental Offices Hours: 12 No. 1207W

Expand your understanding of cardiovascular disease to provide safer and more comprehensive dental treatment for patients with CVD.

Faculty: Thomas B. Fast, DDS, MS

Price: \$65.00 / Extra Test: \$25.00

Simplified Oral Anatomy Hours: 12 No. 1208W

A detailed yet simplified review of oral anatomy from the largest bones to smallest muscle of mastication, with emphasis on their functions within the oral cavity.

Faculty: William Balton, DDS

Price: \$65.00 / Extra Test: \$25.00
